Subject: RE: Stibnite Mine Administrative Settlement Agreement and Order on Consent

Dear Ms. Schiffman:

Please see the attached letter from Vice-Chair Ms. Marlene Skunkcap re: the call on January 6, 2021 between representatives of the Shoshone-Bannock Tribes and EPA \ re: the Stibnite Mine. As discussed, this was not a government to government consultation due to the short notification, lack of communication and information provided leading up to the scheduled call and the absence of members of Fort Hall Business Council. We look forward to

receiving the information and communications discussed on the call and working toward a government to government consultation on the Stibnite Mine Site.

We also ask that when corresponding to the Fort Hall Business Council Chairman that you include me so I can help coordinate it internal with the Tribes.

Thank you

Kelly C. Wright
